

Smaller local government bodies in Wales Annual Return for the Year Ended 31 March 2016

Smaller local government bodies in Wales must prepare annual accounts following proper practices as set out in the One Voice Wales/SLCC publication **Governance and accountability for local councils in Wales – A Practitioners' Guide** (the Practitioners' Guide). The Practitioners' Guide states that bodies may prepare their accounts in the form of an annual return prepared by the Wales Audit Office.

The accounts and audit process

The accounts and audit arrangements follow the process as set out below.

Please complete all sections highlighted in red. Incomplete or incorrect returns may require additional external audit work and incur additional costs. Send the **original** Annual Return, together with all additional information requested, to the external auditor acting on behalf of the Auditor General for Wales. **Please note that copies of all documents provided for the purposes of the audit must be certified as true copies of the originals by the Clerk and Chair.** Unless requested, please **do not** send any original financial or other records to the external auditor.

Bodies should note the changes to the Annual Governance Statement. This is to be completed in full by all Bodies.

Audited and certified returns are sent back to the Body for publication or display of the accounting statements, Annual Governance Statement and the Auditor General for Wales' certificate and report.

Auditor General for Wales' Audit Certificate and report

The external auditor conducts the audit on behalf of, and in accordance with, guidance issued by the Auditor General for Wales. On the basis of their review of the Annual Return and supporting information, they report whether any matters that come to their attention give cause for concern that relevant legislation and regulatory requirements have not been met.

We certify that we have completed the audit of the Annual Return for the year ended 31 March 2016 of:

Llanwnnen Community Council

External auditor's report

I am required by law to satisfy myself that:

- the council's accounts are prepared in accordance with the Accounts and Audit (Wales) Regulations 2014;
- the accounts comply with all other statutory provisions applicable to the accounts;
- proper practices have been observed in compiling the accounts; and
- that the council has made proper arrangements for securing economy efficiency and effectiveness in its use of resources.

The Council failed to maintain proper accounting records as required by Regulation 6 or the Accounts and Audit (Wales) Regulations 2014 and the accounting statements contain significant errors. Consequently, I am unable to conclude on whether or not the accounting statements in section 1 of the 2015-16 annual return:

- properly presents the Council's receipts and payments for the year and its financial position as at 31 March 2016;
- complies with all statutory provisions related to the accounts; and
- has been compiled in accordance with proper practices.

Except for the matters reported below, on the basis of my review, in my opinion, the information contained in the Annual Governance Statement is in accordance with proper practices and no matters have come to my attention giving cause for concern that relevant legislation and regulatory requirements have not been met:

Exceptions:

1. The Council did not operate a PAYE system as required by the Income Tax Earnings and Pensions Act 2003 in order to deduct income tax and national insurance contributions at source.
2. The Council did not calculate its budget requirement in accordance with the Local Government Finance Act 1992 when setting its precept. I consider the precept levied to be unlawful.
3. The Council has failed to make appropriate arrangements for the publication of information on its website as required by the Local Government (Democracy) (Wales) Act 2013.

Other matters and recommendations

These matters along with other matters not affecting my opinion which I wish to draw to the attention of the Council and my recommendations for improvement are included in my report in the public interest issued on 6th September 2018. A copy of this report can be obtained from the Council or found on the Wales Audit Office website at <http://www.audit.wales/publication/report-public-interest-llanwnnen-community-council>
