- Members' Allowances – It was brought to the attention of the committee that all members of a community or town council are entitled to receive payments as determined by the Independent Remuneration Panel for Wales (IRPW) to cover their costs as councillors. An individual may decline to receive part, or all, of the payments and this must be done in writing and is an individual matter. Members wishing to decline payments must themselves write a letter to the Clerk informing of their decision. Upon investigation, the amount in question would be around £150 per member per annum. Following a discussion it was agreed that each council member would write and sign a letter informing of their decision and return to the clerk. It was also noted that Publication of the Statement of Payments was to be shown in the local area as per the Welsh Government Audit received for 2022-23.
